

Technical Assessor's full Report

(Certification of modified vehicles at first SPSV licensing.)

Please read the "Guidelines for Technical Assessor Reports" document issued by the National Transport Authority prior to completing this Report and the relevant sections of the Initial Suitability Inspection Manual. This document is aimed mainly at wheelchair accessible vehicles but since 7th April 2014 (see S.I. 165 of 2014) also applies to other modified vehicles. For non-accessible vehicles simply mark the section as "N/A".

In completing this Assessor's Report you must satisfy yourself that, with reference to the appropriate sections below, the vehicle meets the requirements of the Regulations including the relevant provisions of the Taxi Regulation Act 2013, Road Traffic Acts 1961-2006, Roads Act 2007 and any statutory instruments made thereunder. You should consider the manufacturer's specifications and documents (vehicle and components used in the conversion), test reports and approvals and Type Approval standards.

Declaration of Certification:

I certify that I have inspected the above vehicle and the test and approval documentation as listed/referenced/attached, and that the vehicle and its components, systems and installations are representative of those described in that documentation.

I therefore declare that the vehicle overall:

- complies with the relevant provisions of the Taxi Regulation Act 2013, Road Traffic Acts 1961-2006, Roads Act 2007 and any statutory instruments made thereunder, and
- specifically that where additional seats are fitted or adaptations to seating have been made, that the seats, seat belts and seat belt anchorages comply with the essential technical provisions of Directives 74/408/EEC, 76/115/EEC and 77/541/EEC as amended (or equivalent UNECE Regulations) to ensure, to the greatest extent practicable, a level of road safety provided for in the Directives, and
- that the equipment provided for the occupant in a wheelchair meets the requirements.

I hereby declare the above information to be true and correct on the date of inspection for the vehicle detailed above. I further declare that I am in possession of the professional requirements set out below.
